- Published internationally including French and Korean language editions

The Breakfast Book AU\$19.95 + P&H

Discover the power of breakfast!
Forward by Dr Rosemary Stanton OAM

Here at last is a book that highlights the vital role breakfast plays in your health and wellbeing. Almost a quarter of Australian adults regularly skip breakfast yet it is the most important meal of the day. Starting each day with a great breakfast helps you lay the foundations for better heart health, all-day energy, improved digestion and heightened concentration.

With over 50 delicious recipes this book includes meal plans, celebrity breakfasts and gives a no-holds assessment of the most popular breakfast food brands available on our shelves.
